RECIPES

Candy Cane Pizza

1. Shape your favorite pizza dough into a cane shape—a lot easier than rolling.
2. Spread the dough with pizza sauce or homemade tomato sauce.
3. Add pepperoni slices for the candy cane stripes.
4. Follow baking instructions from the pizza dough to bake until cheese is melted browned.

Santa Clause Cookies

Ingredients

- 12 ounces white baking chocolate, chopped
- 1 package (1 pound) Nutter Butter sandwich cookies
- Red colored sugar
- 32 vanilla or white chips
- 64 miniature semisweet chocolate chips
- 32 Red Hots candies

Directions

1. In a microwave, melt white chocolate at 70% power for 1 minute; stir. Microwave at additional 10- to 20-second intervals, stirring until smooth.
2. Dip one end of each cookie into melted chocolate, allowing excess to drip off. Place on wire racks. For Santa's hat, sprinkle red sugar on top part of chocolate. Press one vanilla chip off-center on hat for pompom; let stand until set.
3. Dip other end of each cookie into melted chocolate for beard, leaving center of cookie uncovered. Place on wire racks. With a dab of melted chocolate, attach semisweet chips for eyes and a Red Hot for nose. Place on waxed paper until set.

Chocolate-Dipped Candy Canes

Ingredients

- 1 cup semisweet chocolate chips
- 12 candy canes (6 inches each)
- 3 ounces white baking chocolate, chopped
- Optional toppings: assorted colored sugars or sprinkles and crushed candies

Directions

1. In a microwave, melt chocolate chips; stir until smooth. Dip curved ends of candy canes in chocolate; allow excess to drip off. Place on waxed paper.
2. In a microwave, melt white baking chocolate; stir until smooth. Drizzle over chocolate. Decorate with toppings if desired. Let stand until set.
3. Use to stir servings of hot cocoa.

Hot Chocolate

Ingredients

- 2 tablespoons unsweetened cocoa powder
- 1 to 2 tablespoons sugar (depending on how sweet you like it)
- Pinch of salt
- 1 cup milk or any combination of milk, half-and-half, or cream
- 1/4 teaspoon vanilla extract

Directions

1. Whisk together the cocoa, sugar, salt, and about 2 tablespoons milk in a small saucepan over medium-low heat until cocoa and sugar are dissolved. Whisk in the rest of the milk and heat it over medium heat, whisking occasionally, until it is hot. Stir in the vanilla and serve.
2. If you like it frothy, blend it in the blender.
3. This recipe multiplies easily. When you get up to a quart of milk, use 1/4 teaspoon salt.
